Leveraging my experience and determination, I am eager to contribute my skills to further the firm's mission and culture while continuing to foster my own talents and passions for architecture, urbanism, and sustainability.

EXPERIENCE

Pascall + Watson

August, 2023 - March, 2025

London, U.K.

Architectural Designer

- Lead numerous packages and construction support for London-area aviation projects at RIBA stages 2 - 5
- Coordination of other disciplines' work, design development, technical detailing, and specification writing (NBS)
- Preparation of project reports and presentations, and guiding interns and junior staff
- Resigned to focus on professional development: ARB registration

SmithGroup

January, 2019 - October, 2022

San Francisco, California, U.S.

Architect

- Design and documentation roles on projects of various scales across all design phases (eq. to RIBA stages 1 - 5)
- Project experience in the workplace, civic, institutional, and healthcare sectors
- Construction/site activities; sustainability management, and supporting the project architect and interns/junior staff
- Coordination of other disciplines' work, preparation of project reports and presentations, and physical model-making
- Resigned to coordinate a relocation to the U.K.

Delineation, LLC

September, 2017 - January, 2019

Brooklyn, New York, U.S.

Owner

- Provided a range of services such as architectural drafting, building surveying, and design consultation
- Projects included single- and multi-family residential, commercial, interiors and space planning, and patent drawings
- Closed after accepting a position at SmithGroup

Kushner Studios

August, 2016 - August, 2017

New York, New York, U.S.

Design Consultant & Draftsman

- Worked with lead designers on multi-family residential and commercial project typologies (eq. to RIBA stages 2 - 3)
- Drafting, site surveying, and compiling bid sets; filing with NYC DOB; light/air/zoning calculations; client meetings

The Building Survey Corp.

May, 2014 - August, 2016

New York, New York, U.S.

Project Manager & Draftsman

- Managed project team deliverables and acted as a direct point-of-contact for clients
- Existing conditions drafting and field surveys; project design and detail documentation (eq. to RIBA stages 2 - 4)

Past experience includes architectural internships along with supervisory roles in hospitality from 2009 - 2014
